

DETAILED ACTION

Reply Brief

1. The Reply Brief filed in this application on May 24, 2010, will not be considered because the Reply Brief was not timely filed. The MPEP states the following:

§ 41.41 Reply brief.

(a) (1) Appellant may file a reply brief to an examiner's answer within two months from the date of the examiner's answer. A reply brief shall not include any new or non-admitted amendment, or any new or non-admitted affidavit or other evidence. See § 1.116 of this title for amendments, affidavits or other evidence filed after final action but before or on the same date of filing an appeal and § 41.33 for amendments, affidavits or other evidence filed after the date of filing the appeal.

(b) A reply brief that is not in compliance with paragraph (a) of this section will not be considered. Appellant will be notified if a reply brief is not in compliance with paragraph (a) of this section.

(c) Extensions of time under § 1.136 (a) of this title for patent applications are not applicable to the time period set forth in this section. See § 1.136 (b) of this title for extensions of time to reply for patent applications and § 1.550 (c) of this title for extensions of time to reply for ex parte reexamination proceedings.

Based on the above stated comments, the Appeal Brief was filed more than two months after the mailing of the Examiner's Answer, and therefore the examiner respectfully submits that the reply brief will not be entered on the record, nor will the comments be considered. Accordingly, the case will be forwarded back to the Board of Patent Appeals and Interferences for consideration of the comments of the Appeal Brief filed on December 28, 2009 and the Examiner Answer mailed on February 28, 2010.
